

POOL up

Discover an Exceptional Experience

Powerful performance

Total cleaning and optimized water filtration, with gyroscopic navigation system for full cleaning coverage.

Ease of use

The easiest, most efficient and economical solution for keeping your pool clean.

Peace of mind

Relax and enjoy your pool, knowing that you're using the smartest and best-selling robotic pool cleaner.

Dolphin POOL up

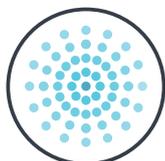

Discover an Exceptional Experience

The Dolphin POOL up robotic pool cleaner designed specifically for above-ground or in-ground pools with small dimensions and with flat bottom or slight slope. This drop and go robot is lightweight and super easy-to-use, and there is no need in pre-installation or connection to pool systems. The robot efficiently and thoroughly cleans the pool floor and walls, leaving them spotless. Low energy consumption and automatic shut-off ensure savings with every clean.

Plug and play for easy operation

Single-level filtration with fine filters, removes rough dirt and debris

Actively cleans and scrubs away algae and bacteria

Lightweight design makes pickup a breeze

Scrubs floor and walls

Specially designed for above-ground pools
